**By Marcel Griaule : Conversations With Ogotemmeli: An Introduction to Dogon Religious Ideas** african sage philosophy the sage philosophy project began in the mid 1970s at the department of philosophy of the university of

nairobi kenya at the university i am told that if a clansman commits adultery or steals the vadamu are not really concerned this is interesting an antisocial act can be committed as long as the Conversations With Ogotemmeli: An Introduction to Dogon Religious Ideas:

2 of 9 review helpful Ogotemmeli favors female genital mutilation By Earl Wagor I bought this book because I wanted to learn more about the reputed Sirius extraterrestrials who supposedly visited with the Dogon in the distant past Instead I found myself reading mostly about the minutiae of Dogon sacred rituals with a heavy emphasis on the importance of female genital mutilation a practice which is at the center of Dogon Originally published in 1948 as Dieu d Eau this near classic offers a unique and first hand account of the myth religion and philosophy of the Dogon Thoroughly recommended as one of the most important studies of West African traditional religion Geoffrey Parrinder West Africa Will prove of interest and enlightenment to those still inclined to underestimate African subtlety and sophistication
