By Stephen Mumford : Dispositions knowledge skills and dispositions the innovation lab network state framework for college career and citizenship readiness and implications for state policy disposition disp zishn n 1 ones usual

mood; temperament a sweet disposition 2 a a habitual inclination; a tendency a disposition to Dispositions:

Mumford puts forward a new theory of dispositions showing how central their role in metaphysics and philosophy of science is Much of our understanding of the physical and psychological world is expressed in terms of dispositional properties from the spin of a sub atomic particle to the solubility of sugar Mumford discusses what it means to say that something has a property of this kind and how dispositions can possibly be real things in the world In Dispositions Stephen Mumford confronts the toughest and most important metaphysical issues about dispositions Dispositions reads pretty easily in part because it is free of the technical notation that is so tempting to introduce and
