it matter to morality Self-Determination: The Ethics of Action, Volume 1:

Thomas Pink offers a new approach to the problem of free will Do we have control of how we act so that we are free to act in more than one way and does it matter to morality whether we do Pink argues that what matters to morality is not in fact the freedom to do otherwise but something more primitive a basic capacity or power to determine for ourselves what we do This capacity might or might not take the form of a freedom to act in more than one way and it might About the Author Thomas Pink Department of Philosophy King s College London Thomas Pink studied history and philosophy at the University of Cambridge After a short career in banking he became a research fellow of Churchill College Cambridge and h
