By Robert Pasnau : Metaphysical Themes 1274-1671 robert pasnau traces the developments of metaphysical thinking through four rich but for the most part neglected centuries of philosophy running from the thirteenth the thirty chapters work through various fundamental metaphysical issues sometimes focusing more on scholastic thought metaphysical themes 1274 1671 Metaphysical Themes 1274-1671:

1 of 1 review helpful Finally an accessible survey book about medieval philosophy By Steve L For a long time I ve

been trying to find a good accessible introduction to medieval philosophy This is the only such book I've come across albeit it only covers Scholastic metaphysics rather than all of medieval philosophy Note that while this is purportedly a book about late Scholastic metaphysics it actually discusses a lot Robert Pasnau traces the developments of metaphysical thinking through four rich but for the most part neglected centuries of philosophy running from the thirteenth century through to the seventeenth At no period in the history of philosophy other than perhaps our own have metaphysical problems received the sort of sustained attention they received during the later Middle Ages and never has a whole philosophical tradition come crashing down as quickly and completely Metaphysical Themes 1274 1671 is truly a magnificent achievement It contains historical scholarship and philosophical argumentation in a very well balanced mix in order to present the reader with a true sense of the historical position held as well as
