3 of 13 review helpful Provides college level philosophy and spirituality collections with much food for thought By

Midwest Book Review An Ethics for Today Finding Common Ground Between Philosophy and Religion comes posthumously from a secularist who considers the philosophies of John Mill Henry James and others in an analysis of patterns of similarity and difference in religious beliefs His opposition to uniformity and Richard Rorty is famous maybe even infamous for his philosophical nonchalance His groundbreaking work not only rejects all theories of truth but also dismisses modern epistemology and its preoccupation with knowledge and representation At the same time the celebrated pragmatist believed there could be no universally valid answers to moral questions which led him to a complex view of religion rarely expressed in his writings In this posthumous publication R This striking presentation of Rorty s influential thoughts will be of value to those grounded in the study of philosophy religion and their interaction Library Journal concise but none the less immensely thoughtful Roman Madzia
