By David S. Oderberg : Real Essentialism (Routledge Studies in Contemporary Philosophy, Vol. 11) an index

with brief explanations and bibliographies philosophy of mental illness the philosophy of mental illness is an interdisciplinary field of study that combines views and methods from the philosophy of mind Real Essentialism (Routledge Studies in Contemporary Philosophy, Vol. 11):

0 of 0 review helpful Outstanding synthesis of classical Aristotelianism and contemporary analytic philosophy By Dave J P This man is way too brilliant displaying encyclopedic knowledge of the history of philosophy from ancient sources to modern primary and secondary literature along with an astounding grasp of biological science in his discussion of form and species I was not at all conversant with the analytic philosophy Real Essentialism presents a comprehensive defence of neo Aristotelian essentialism Do objects have essences Must they be the kinds of things they are in spite of the changes they undergo Can we know what things are really like ndash can we define and classify reality Many if not most philosophers doubt this influenced by centuries of empiricism and by the anti essentialism of Wittgenstein Quine Popper and other thinkers Real Essentialism Real Essentialism presents vigorous and wide ranging arguments in defense of an Aristotelian metaphysical scheme hellip This book puts forward many unfashionable views But it argues for them with vigor and erudition ndash
