By Peter O. Gray : Psychology, Fourth Edition & Focus on Research: PsychInquiry CD-Rom Psychology, Fourth Edition & Focus on Research: PsychInquiry CD-Rom:

34 of 34 review helpful Best Psychology Textbook By psychephile As an Intro Psych instructor I reviewed dozens of psychology texts Gray s Psychology is clearly the best First because it is written by a single author it maintains a consistent style and viewpoint throughout that is the application of evolutionary biology and cognitive science to the study of the mind and behavior Consequently he does not s Revised and updated Peter Gray s psychology text gives

emphasis to the importance of evolutionary concepts Psychology is introduced by describing the main theories and the evidence supporting them Gray encourages students to think about behaviour and the whys and hows by exploring its functions purposes and biological mechanisms All the main psychology questions are identified and the different approaches to answering them are assessed About the Author PETER GRAY Psychology Department Boston College USA
