**By Robert Linssen : Living Zen** in the japanese language nikkei newspaper yesterday i stumbled upon an interesting article featuring stories on people who have started small grassroots movements books zen mindfulness cloudbook sensei ryodos online reflections on mindfulness and zen along with a revised version of the 3 step zen method Living

Zen:

4 of 4 review helpful Not an easy read but By T Simonson Why has this book remained on my shelf since 2007 when I read it once and rated it as very good to excellent In transferring my books to Kindle I read it again Linssen s book is a difficult read due to the fact that the concepts are difficult to comprehend and easily misinterpreted and also due to the translation difficulties This isn t the Zen that most beg Living Zen is that rare achievement both a survey of the rich history of Zen Buddhism and a guide to the practice of this most demanding and effortless art of being Linssen a distinguished Belgian scholar offers a sage corrective to the idea that the Zen way is available only to those prepared to sit life out under the Bhodi Tree Gently but insistently he undermines this typically Western view inviting and enabling us as Christmas Humphreys puts it in his pre From the Back Cover Living Zen is that rare achievement both a survey of the rich history of Zen Buddhism and a guide to the practice of this most demanding and effortless art of being The distinguished Belgian Scholar Robert Linssen offers a sage corrective t
