By Peter van Inwagen : Metaphysics immanuel kant metaphysics immanuel kant 1724 1804 is one of the most influential philosophers in the history of western philosophy his contributions to degrees in metaphysics and counseling through distance learning Metaphysics:

2 of 2 review helpful The mythical Interested General reader By Davestert Speaking as a mythical interested general

reader of whom Inwagen speaks of in the preface to this book I must say Metaphysics is a much more definite subject to me having read the work Professor Inwagen speaks in very nontechnical even simple prose that really any beginner should be able to understand so long as he has a comprehensive grasp With thoughtful and engaging prose noted scholar Peter van Inwagen provides a comprehensive introduction to metaphysics in this essential text Metaphysics Praise for the fourth edition It is very challenging to present the ideas and arguments of metaphysics in a way that undergraduates can follow but van Inwagen not only does so with perspicuity but also with great insight and rigor Gordon Petti
