By Alexander Marchand : Revelations from the Holy Planet (the Undreaming Chronicles, Book One)

Revelations from the Holy Planet (the Undreaming Chronicles, Book One):

2 of 2 review helpful Enjoyable and easy going By Fernando Revelations from the Holy Planet is about an alien taking Alex to her planet in which ideas from the course are second nature I found it kind of boring at first but then picks up and is really cool This book continues to use the symbols presented in The Universe is a Dream so it reinforces the A Course in Miracles concepts even more For instance the steps Have you ever wondered what insights an advanced civilization of extraterrestrials might have to share What would they think about spirituality science and philosophy What would they think about earth In this first book of the graphic novel series The Undreaming Chronicles author and artist Alexander Marchand explores such questions by putting a twist on the contemporary spiritual document known as A Course in Miracles From the back cover Alex is a young man u
