25 or more Nirvana: The Last Nightmare: Learning to Trust in Life:

3 of 3 review helpful Everything you don t want to hear about yourself By Rama Osho is like an exquisitely precise surgeon removing the reader s ego But after the operation one feels much better This is a bit more punchy than James Sloman s Nothing Osho s explanations are often quite simple and he sometimes even gets poetic But he never fails to get the point across the person we think we are is not 2 of 2 rev Nirvana has become an idealized word associated with the juxtaposition of a cult rock celebrity who died before his time and a vague new age version of Eastern religion An altered state to be hoped for but likely unattainable reinforcing that all too familiar uneasiness associated with never being able to have what we truly desire in life Osho masterfully brings this internal state of tension to the surface and through the use of five beautiful Zen stories About the Author Osho is a contemporary mystic whose life and teachings have influenced millions of people of all ages and from all walks of life His often provocative and challenging teachings generate today more and more interest and his readership
