wished for a manual on how life works youve found it Ancient Wisdom for a New Age: A Practical Guide for Spiritual Growth:

2 of 2 review helpful An Instruction Manual For Life By PB This was our goal when we began the adventure of creating this book A simple yet in depth discussion of the way life works One aspect of the book is an analysis of how we humans act and interact naturally and how to make some simple changes to live a life aligned with the grand purpose of nature We also bring in information that is not widely discussed in the we Is everything just as it should be or is the world spiraling out of control and we must try to save it Is life simple once we understand how it works or is it so complicated only a nuclear physicist could understand it The authors claim that life is simple but only if we accept what we encounter with equanimity and are willing to replace old ideas with new ones that make more sense Attachment resistance and emotional reactions are what make life difficult Is
