what could be more american than manufacturing a faulty product that could injure you while youre drunk its that time of year Black Quantum Futurism: Theory & Practice (Volume 1):

Black Quantum Futurism BQF is a new approach to living and experiencing reality by way of the manipulation of space time in order to see into possible futures and or collapse space time into a desired future in order to bring about that future rsquo s reality This vision and practice derives its facets tenets and qualities from quantum physics futurist traditions and Black African cultural traditions of consciousness time and space Inside of the space where t
