12 of 12 review helpful It s About Mad Crazy Love By Shawn Williams This book helped me to expand my love wider and higher than it s ever gone before It also helped me to further overcome my vindictive nature as a subpersonality that was against me loving others I learned to love the worst of the worst yet not have to be chums with them I love more like God loves now and also I learned how to send this love to others Note The printed and the revised eBook versions are very similar The eBook has the addition of 9 illustrations and a new introduction which are not in the printed book The processes are the same in both versions Soul Love teaches you how to link with your soul and open your heart in order to feel more love self love and love for others Making soul contact and awakening your heart centers can be one of the most important and transf Soul Love Awakening Your Heart Centers is a step by step guide to making soul contact and awakening your heart centers given to author Sanaya Roman by Orin a wise and gentle spirit teacher Readers will embark on a journey of adventure and growth
