Islamic Philosophy: Mulla Sadra and the quest of "Being": Mulla Sadra and the quest of "Being" (Multilingual Edition):

The nature and significance of the philosophy of Mulla Sadra cannot be fully understood by those who approach it as if there had been nothing before it When he himself began to teach philosophy Mulla Sadra was well aware of the general context i e Islamic philosophy in which his own work was necessarily going to be done To attempt to bring out the meaning of this philosophy would be to commit oneself to the production of some proof of its existence or to the admissio
