Living Zen Practice of Dharma Combat (Dharma Communications):

5 of 5 review helpful I Found This Book Marvelous and Helpful By Michael K Crowley I usually don't review
Dharma books because whether or not a book is useful to a practitioner depends a great deal on where they are on the
path what obstacles they face and so forth But while looking for books on Dogen Cave of Tigers came up on the
screen and I noticed the one star rating and was pretty mystified As I write this I Dharma combat is a practice form
unique to Zen in which student and teacher confront each other before a live audience so to speak The Zen master
takes a seat at the front of the meditation hall and is approached by students one by one who challenge the master with
questions The Zen master challenges them in return and the pithy energetic exchanges become a teaching for all
involved Cave of Tigers is proof that the ancient practice of dharma comba Daido Roshi challenges today's Zen
students with quotes from sages who lived a thousand or so years ago The deep unrehearsed life questions that these
words evoke in the students are answered with often practical funny or mind shattering responses Yet Da
