0 of 0 review helpful A Musicians Must Read By Strings Attached This is the second time around for a reading the first time was many years ago when the first edition came out That copy disappeared from my bookshelf so I decided

especially since the revised edition was available that I needed to read it again The new edition is every bit and more as enjoyable today as was the first one I highly recommend it for any As a young up and coming electrical engineer living in England Ray Brooks had everything he could want mdash a high paying job late nights and fast cars All he was missing in his life was the meaning A series of events brought him to Japan where he met a man who played the shakuhachi an ancient Japanese flute That fortuitous interaction motivated Brooks to embark on a journey to learn this very difficult ins Blowing Zen is a shining paradigm of positive life affirming change Ray rsquo s awakening to the deep inner song that is life inspires and gives hope to those searching for their own true path Jo
