Europe has earned the unofficial moniker of Lucifer according to several news reports this weekend. Things new research shows that ravens can plan ahead for different types of events and even resist the urge to take an immediate reward in favor of getting a better one in *The Occult Basis of ASMR: Second Edition*:

0 of 0 review helpful A great read By Remote Hagass A great and informative introduction to the phenomenon Autonomous Sensory Meridian Response ASMR. From its first page to the very last it is a treat to read. It goes from addressing the critics then to the occult nature of ASMR. With only thirty-eight pages to read through it is a short but sweet read. This is a great read for beginners and practitioners alike. The phenomenon known as ASMR or autonomous sensory meridian response is one of the more interesting concepts to emerge in the modern era. Often seen as interesting and relaxing but lacking a deeper spiritual basis ASMR can be construed as relating not only to Eastern mystic traditions but also some aspects of philosophical western Occultism. The similarity of the phenomenon to the infamous Serpent Fire of the East as well as aspects of sex magick and psychotropic ma
