By Haim Shapira : Happiness and Other Small Things of Absolute Importance aristotle politics in his nicomachean ethics aristotle 384 322 bce describes the happy life intended for man by nature as one lived in accordance with virtue happiness quotes and quotations a collection of quotations about happiness from famous

authors Happiness and Other Small Things of Absolute Importance:

1 of 1 review helpful Thank you Haim By L Dean Webb The questions I was left with at the conclusion of the book made me laugh as I drew breath from the wafting Spring breezes I knew it was a gift from God to be given an opportunity to serve others this book provides a confirmation of that knowledge It also makes me certain that I must ask more questions Thank you Haim I will treasure these things you have shared with me What is your happiest moment
How can you know it Do we waste time or does time waste us Are questions about meaning truly meaningful What's really important Drawing on literary and philosophical sources ranging from Alice in Wonderland and The Little Prince to Leo Tolstoy King Solomon and Friedrich Nietzsche Haim Shapira invites us to challenge our perspectives on happiness A seriously playful book that will inform transform delight as well as enlighten you Tal Ben Shahar Author and Harvard University Lecturer About the Author Haim Shapira is a prominent mathematician speaker philosopher
