By Bernardo Kastrup : More Than Allegory: On Religious Myth, Truth And Belief some two dozen other greek and roman authors retold and further embellished the prometheus myth from as early as the 5th century bce diodorus herodorus into the define myth an idea or story that is believed by many people but that is not true myth in a sentence

More Than Allegory: On Religious Myth, Truth And Belief:

17 of 17 review helpful Part III worth the price of entry alone In fact much more than that By D McKinnon Tears of gratitude Thankyou Bernardo you have brought me back to realizations I have had during several Ayahuasca experiences in South America After reading both this and your other works particularly Dreamed up Reality you have formed a framework of understanding that has allowed me to process and answer This book is a three part journey into the rabbit hole we call the nature of reality Its ultimate destination is a plausible living validation of transcendence Each of its three parts is like a turn of a spiral exploring recurring ideas through the prisms of religious myth truth and belief respectively With each turn the book seeks to convey a more nuanced and complete understanding of the many facets of transcendence Part I puts forward the controve Do not kid yourself This is no ordinary book It is a tangle or reflexive loop in the brain of God It is certainly not a book to provide your already overloaded life with yet more information or mere data It is not about information at all It
