By Erik Borja : Zen Gardens the japanese rock garden or quot;dry landscapequot; garden often called a zen garden creates a miniature stylized landscape through carefully composed arrangemen collaborative on line gallery demonstrating what can be accomplished in visual design by using cascading style sheets Zen Gardens:

0 of 0 review helpful The photographs are just beautiful By ssbeagle This is a book I will not part with The text is well written informative and interesting The photographs are just beautiful 0 of 2 review helpful Four Stars By Patricia Hughes Nice book Chronicles Zen gardens of all kinds Many are lush but others reflect the Japanese sensitivity to the soul of stones and their places of honor Borja writes knowledgeably about the centrality of the garden to Zen practice provides a wealth of design and construction information and encourages gardeners to create their own Zen gardens

with suggestions that embrace technical artistic and spiritual concerns Photographs complement the text effectively
