4 of 6 review helpful Not much book for the price By Kris Bradley Make sure you look at all the details about this

book before buying it I wish I had I had assumed for almost 18 I would get more than 76 pages with the actual writing starting on page 7 Literally only 69 pages of information No matter how well written it may or may not be it s a bummer to receive something I might have paid 6 95 for if Among the ancient Germanic peoples there existed a highly developed stream of magical belief and practice devoted to and stemming directly from the dead While it is difficult for the modern mind to understand these beliefs it was simply an acknowledged matter of fact that a tremendous wellspring of virtuous power dwelt among the physical remains of the once living be they man or beast long after the spirit abandons flesh In this book the author has gat About the Author Cody Dickerson is a student of the Germanic mysteries Indo European religious and linguistic studies British cunning folk magic and is an initiated Braucher or Powwow practitioner A blacksmith by trade and a gardener by avocation he also s
