By Tom Swiss : Why Buddha Touched the Earth buddha a heros journey to nirvana this article describes the transition of king siddhartha an ordinary human being to gautam buddha the hero of the chapter 3 youth in those days in india everybody knew that everything man needs for his life comes out of the ground and that therefore the man

who cultivates Why Buddha Touched the Earth:

2 of 2 review helpful When Buddhism and Paganism Meet By S Davies Tom Swiss describes his own perspective as being that of a Discordian Zen Pagan Atheist and this book provides us with a fabulously personal exploration of where such a perspective may have come from historically and what it might mean to follow as a path today The shape of the book s narrative is part travel journal part religious history and such Shortly before his death John Lennon called himself a Zen Pagan With this he gave an excellent name to a religious trend that goes back at least as far as Henry David Thoreau who wrote of his love and respect for both the ancient nature god Pan and the Buddha The connection between Buddhism and nature spirituality is ancient According to legends of the Buddha s enlightenment in his hour of need he asked the Earth to bear him witness rather than appealing to a he
