Animate Nature (Scholastic Editions – Editiones Scholasticae):

1 of 1 review helpful Well worth the buy By Harlan Awesome practical book that was highly recommended by Dr Ed Feser The purpose of this book is to serve as an introduction to the metaphysical study of life in undergraduate colleges It presupposes that the student has made a study of general metaphysics or at least has been given a good introduction to the general problems of philosophy At the end of each chapter a summery has been added to make it easier for the student to obtain a comprehensive view of the matter About the Author No information available
