## The Life Divine:

6 of 6 review helpful Every word a meditation unto itself By Jeannine M Desmarais Ok I m a fairly intelligent human being and have been on the spiritual path for a very long time This book is so filled with profound revelation and is so deep that I have been reading it a paragraph at a time putting it down and re reading it In other words lectio divino is required to really absorb the profound teachings of Aurobind The Life Divine explores for the Modern mind the great streams of Indian metaphysical thought reconciling the truths behind each and from this synthesis extends in terms of consciousness the concept of evolution The unfolding of earth s and man s spiritual destiny is illuminated The Life Divine is Sri aurobindo s principal philosophical work in which he presents a theory of spiritual evolution which will culminate in the human being and the advent of a divine life on t The book is based on the Philosophy of Sri Aurobindo Here is a short write up on this great Indian Yogi Sri Arobindo 15 August 1872 5 December 1950 was an Indian nationalist and freedom fighter major Indian English poet philosopher and yogi He joined th
